

The Prospect District Cricket Club Inc.

A Bold Future for the Prospect District Cricket Club

At the Prospect District Cricket Club, we are driven by a passion for on-field success and a strong commitment to excellence. While recent results haven't reflected our ambitions, a complete and thorough review has been conducted to ensure we have the right systems and structures in place to move forward with confidence. With the right people in the right roles, success is not just a goal—it's an expectation. Every decision is being made with care and purpose as we build toward a winning future.

We know there are no shortcuts to success. It will take hard work, unity, and a shared commitment from both our current and past players. Supporting our emerging talent and recruiting experienced leaders who can guide and inspire is a key priority.

To mark this exciting new chapter, we're inviting all Past Players to a special mid-year event on Saturday, 28 June at the Cricket Clubrooms. Together, we'll enjoy the SANFL clash between North Adelaide and Adelaide Football Club—a great day that will also serve as a "Line in the Sand" moment for our club. Past players of all ages are encouraged to attend, as your role in shaping the future of Prospect is invaluable. Our target is clear: a return to Division 1 and a 1st Grade Premiership.

In line with the Club's current strategic plan, we are thrilled by the progress across our junior program. The depth of talent coming through the grades is outstanding, with many of our junior players among the top performers in the 2024/25 season. Promoting young players into senior cricket is a top priority, and we're committed to doing so strategically to ensure their development is maximised. We will continue to build the right structure around them to support and accelerate their growth into successful senior cricketers.

Pre-season planning is now firmly underway, and players can enjoy a well-earned break before preparations begin. In the meantime, we can confirm the following senior cricket appointments for Season 25/26:

- 1st Grade Coach – Steve Broberg
- 3rd and 4th Grade Coach – Darren Dutton
- Batting Coach 1st and 2nd grade – Kyle Scrimgeour
- Batting Coach 3rd and 4th grade and U17 – Ross Stargatt
- Spin Coach – Peter Schenscher

We continue to have discussions to enhance our senior playing squad for next year, and we will also be announcing further key senior appointments soon, including:

- Bowling Coach
- Wicketkeeping Coach
- Fielding Coach
- 2nd, 3rd and 4th Grade match day coaches

Anyone interested in contributing to the club in one of these key roles is encouraged to apply as a priority.

With junior trials now complete, we are pleased to confirm the following coaching appointments for the 2025/26 season:

- Under 17 – Steve Hands
- Under 15.5 – Simon Laube
- Under 14 – Christian Lehmann / Michael Carter
- Under 13 – To be announced

We expect a huge season ahead for our junior grades and remain focused on supporting their journey from junior to senior ranks.

Together, we are building a club that honours its proud history and embraces a bold, successful future. We can't wait to welcome the Prospect family—past and present—as we take our next big steps forward. Our next Club Function will be our Past Players day on the weekend of June 28 in the Cricket Club during the North Adelaide v. Adelaide Crows SANFL match.

In the meantime, we thank you for your support and keep you updated in due course with further updates.

James Pedersen
